CAREERS IN THE FOREST INDUSTRY

COURSE CONTENT

The Cadet Forester Program has been developed to overcome the shortfall of professional foresters currently needed to work in Tasmania's forest industry.

Trainees can commence on an Australian School based Apprenticeship for year 11 & 12 students, or an adult traineeship for all other applicants. Trainees will be directly employed by individual companies, or by a group training organisation for shared work placements.

AUSTRALIAN SCHOOL BASED APPRENTICESHIP:

- Commence Certificate II in Forest Operations
- Available for students commencing year 11 & 12
- Must have current Australian drivers licence or reliable means of transport to the employer's office

ADULT TRAINEES:

- Certificate III in Forest Operations
- Options for direct employment or group training model
- Must have current Australian drivers licence

OUTCOMES

Commence as a Certificate II in Forest Operations (ASbA) or Certificate III Forest Operations (Adult Learner). Trainees will work towards achieving a Certificate IV in Forest Operations within four years of employment-subject to annual performance based reviews by respective employers and training providers.
