St Patrick's College
Prospect

Dear Parents/Carers,

Recently we wrote to you advising that Tony Daley will be stepping down as Principal of St Patrick's College, Prospect at the end of 2022.

Whilst we wish Tony all the best for 2023, both Tony and Catholic Education Tasmania are keen to ensure that St Patrick's College, Prospect is well placed to ensure the continuity of quality education and community support.

A process to recruit a new Principal will now commence in accordance with the Catholic Education Commission Tasmania Recruitment and Selection Procedure for Principals. An initial part of this process is a consultation with members of the school community to ascertain the present and future needs of the school. This consultation process will provide an opportunity to highlight the positive aspects the school would like to see maintained and identify any opportunities for improvement.

I would like to invite all interested parents to attend a consultation workshop to be held at the school on Thursday, 15 September 2022 at 5 pm in the College Board Rooms or to complete a short online survey.

Should you wish to participate in the consultation workshop please register via the following link [Parent Community Consultation Registration](#). Registrations close 12.00 pm Wednesday 14 September 2022.
